

Summer Newsletter 2018

Dear Parent/Carer

The academic year 2017-18 has been an incredible year of achievements for Team Nidderdale. Back in October, our Ofsted visit and subsequent report recognised our progress on our journey to excellence with the school being described as 'Good and improving further'. Since then, we have achieved so much more.

A record number of Classcharts points have been awarded, with 92% of those points being positive. 336 students have been recognised as Nidderdale STARS and over 500 certificates of achievement have been awarded.

Students have represented the school through drama, music, science, maths, technology and sport in a range of local, regional and national competitions and school events. They have had the opportunity to visit theatres, universities, museums, galleries, agricultural and sporting events.

Students have also turned their minds to supporting others with some fantastic fund raising efforts. This year we have raised money for a wide range of charities including: Children in Need, Save the Children, Sport Relief, MacMillan, Guide Dogs for the Blind and, most recently, Cancer Research with an incredible Race for Life Team Nidderdale entry raising over £2000.

Team Nidderdale has also shown incredible resilience this year having faced all extremes of weather! We've overcome heavy snow, giant icicles, a leaking roof and failed hot water supplies earlier in the year and more recently we have experienced more hot weather than we know what to do with. Our Sports Day was a fantastic example of Nidderdale Team spirit in the sunshine which made a welcome change from shivering in damp gravel.

We are so very proud of the achievements of all of our students and staff. We are grateful for the incredible support we receive from parents and the local community.

I would like to wish every member of the school community a most enjoyable and relaxing summer break and we will look forward to welcoming students back to school on Tuesday 4th September.

Kath Jordan
Headteacher

Staff Changes

Say Hello and Wave Goodbye

This year we are looking forward to welcoming a number of staff to Team Nidderdale. Whilst some are replacing colleagues who are moving on to new challenges, others are taking on brand new posts at an exciting time in the school's development.

Firstly, within the teaching team we are saying farewell to Mrs Brotherton who is retiring from her role as teacher of maths. We wish her a happy and restful retirement, although suspect she will remain as busy as ever. We are absolutely delighted to welcome Mrs Easton back to the maths team. She started her career at Nidderdale and has since taught at two other Harrogate schools but has been looking out for an opportunity to return to Team Nidderdale.

Mr Reynolds has been an energetic and enthusiastic teacher of performing arts at Nidderdale. He is moving on to focus solely on teaching drama whilst we will be welcoming Mr Sands as teacher of drama and English from September.

Big changes are ahead in PE for September. Mr Biggs is returning to the Falkland Islands to follow a long held dream of leading sea kayaking expeditions! He's led climbing, skiing, surfing and caving expeditions for us so we know he will make a great success of this once in a life time opportunity. Mr Coad has taught PE here at Nidderdale and at one of our partner primary schools in Ripon for 5 years. He is moving on this year to focus entirely on secondary teaching. We are delighted to have made three fantastic appointments in PE. Mr Hill will be joining us as teacher of PE and Geography, Mr Couldwell will be picking up some of Mr Biggs' excellent work in outdoor education and will be developing some new programmes for our young people. Mr Barrass will be teaching PE and providing 1:1 and small group support in the Flexible Learning Zone.

Back in December we bade a fond farewell to Mrs Wallace in art and photography. Mrs Walton has been our temporary replacement and we are very grateful to her for making the long commute from York. We are delighted that Miss Brohier will be taking up the permanent role of teacher of art and photography in September.

We are not just welcoming new teachers, we are also expanding our support staff team. We have recently welcomed Mrs Bradley-Dixon as a Teaching Assistant and Mrs Snoxall as a Pastoral Admin Assistant. In September Mrs Graham-Bell and Mrs Eddy are also joining our Learning Support Team.

Hello.

Goodbye & good luck

General News

Ministry of You Group

The Ministry of You group has chosen to support the Guide Dog appeal. Since 1931, this fantastic organisation has helped transform the lives of thousands of people living with sight loss, allowing them to lead full, independent lives. As a school, we will be supporting this very worthwhile cause next year and will be organising various fundraising events with the aim of sponsoring a puppy.

Welcome to the Senior Students Team 2018—2019

The application process and interviews have been underway during the past two weeks and we are pleased to announce our new Senior Student Leadership Team.

Hannah Reinsch and Joe Webb have been appointed to the roles of Head Girl and Head Boy and they will be supported by Amy Robertshaw and Maria Brown as Co-Deputy Head Girls, with Will Hall and Joss Salton as Co-Deputy Head Boys.

Senior Students for specific areas of learning will be Molly Howard, Daisy Hemming, Jake Sweeney, Sarah-Dean Walter, Fay Sleight, Mat Brooksbank-Laing and Jasmine Harbour.

Responsibilities will include representing Nidderdale High School, attending student voice meetings, presenting school assemblies, organizing issue focus activities, fundraising and much more.

Congratulations to all and we look forward to holding our first Student Leadership Team meeting first week back in September.

Mrs Ashton - Key Stage 4 Learning Manager

No 6 Workshops

We are delighted to be continuing our partnership with nidderdale visual arts and the Number 6 GCSE Art course. This year 8 students explored the theme of wheels and weaving and their final exhibition at Number 6 in April was much admired. Their work will be on display at The Mill Gallery at Bradford Industrial Museum from August to the beginning of November. This is an incredible opportunity for our students to bring their work to a much wider audience. Our new group of students are already preparing for their study visit to Cliffe Castle which will be the inspiration for their final exhibition.

To learn more about the inspirational work produced and displayed at No 6, copy and paste the link below into your browser to see Paul Harris' great video.

<https://vimeo.com/276927241>

University Visits

Even though we are an 11-16 school, we recognise our responsibility to prepare students for making the right post-18 choices. That's why we have updated our careers education programme to include a number of university visits. This year students in Years 8 - 10 have had a wide range of opportunities to explore a range of subjects at a number of different universities including York, Leeds and Sheffield. Our most recent visits are detailed below.

Build a Book Day—Leeds University

On Wednesday 9th May 2018 we took 15 year 8 students to World Book Day at Leeds University. The day consisted of writing the first chapter of their own book and designing the cover.

Students also had the chance for a tour of the campus which is very impressive along with a lunch in the refectory.

All of the students showed great maturity and respect whilst on the visit and they made an amazing effort. Individual prizes were awarded to:

Morgan Leeming Sykes -	Best writing
Alfie Cottrell -	Best Book Cover
Emma Mawer -	Best all rounder.

Well done to a fabulous group of students.

North Yorkshire Medical Careers Day

On Tuesday 19th June 8 students attended the 'North Yorkshire Medical Careers Day' at St John Fisher School. It gave students an insight in to the medical profession and allowed them to take part in workshops. These included CPR, diagnostics and medical ethics. An amazing afternoon.

Mrs Eglin

Lawyers of the Future—Leeds University

On Thursday, 5th July a group of new to KS4 students were given the opportunity to experience life on campus at Leeds University.

The '**Discover Pathways to Law**' taster day explored life as an undergraduate. Students debated and participated in interesting workshops such as 'Exploring Human Rights and Counter Terrorism, You Can't Do That! Human Rights, Discrimination and Social Justice, Corporate Insolvency Law: Fairness and Justice and Considering Law at University: Pathways to Law.

Pathways to Law is a programme designed to give an insight into what it is like to study and practice law through high quality information and guidance as well as a variety of exciting experiences and opportunities.

Nidderdale Students toured around Campus and were impressed by University life.

"I enjoyed this event because I now know what I need to do to become a lawyer..."

"There is so much to do at University, I was impressed by all the extra bits including the gym, cafeteria, clubs and societies on campus".

"It was great to meet students who have just graduated from University. I was interested to see how to get into Law, but it was also useful to speak to students studying other degree courses such as dentistry, medicine and psychology.."

Area of Learning - Maths

Junior Maths Challenge

A number of year 7 and 8 students took part in the Junior Maths Challenge in April. This is a national competition where students use their maths and problem solving skills to answer a series of challenging questions. All of the students involved made a really good effort, resulting in a pleasing number of gold, silver and bronze awards. A number of students just missed out on awards, so we look forward to even greater success next time!

Award winners were:

Gold: Jack Warne (y8)

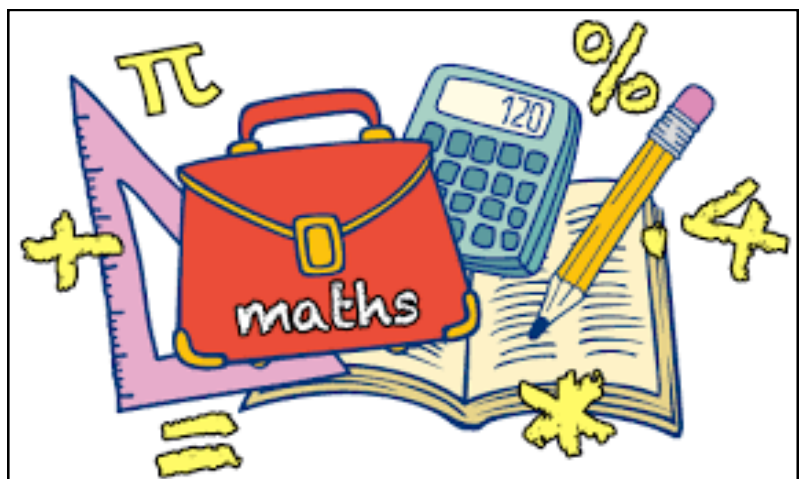

Silver: Rachael Hattan, Charlie Troup, Isaac Light, Mollie Wright (y8)
Dakota Hunter (y7)

Bronze: Freddie Swaine, Jami Brown, Ben Hinchliffe, Michael Harker (y8)
Evie Lowes, Ivan Jackson, Freddie Howard, Elspeth Raw, Amy Grainger (y7)

Year 5/6 Maths Activity Afternoon

Recently 8 students from St Cuthbert's and Coppice primary schools visited Nidderdale High to spend the afternoon using maths to answer some important questions. The activities were based on the work carried out by the WaterAid charity and were organised by a group of our most able Year 9 mathematicians. The visiting students worked out how much water they use in a day. By timing themselves carrying buckets of water, they then calculated how long it would take them if they had to walk 3km each way to collect their water. Finally, the students looked at how probability could be used to find a good fund-raising activity to help the charity. Thanks to the year 9 students for their help:

Jessica Cooper
Edie Graham-Bell
Benji Howard
Alice Johnson
Hattie Johnson
Daisy Reinsch
Fran Simmonds
Tom Simpson
Rosie Sturt
Benji Wilson
Jacob Wox

Alternative Curriculum

Outdoor Education Course

The Nidderdale High School Adventure Education programme has now started its second year. Last year it was enjoyed by an enthusiastic bunch who persisted to push their limits and test their resilience against many challenges. Over the year the group paddled moving water, cycled across the dale, abseiled at Brimham Rocks, caved three caves in a day and summited two of the three highest peaks in Yorkshire just to name a few of their achievements. This year's group have just started and had two team building days, navigating up to Simon's Seat and the team building challenges at Brimham Rocks. Having the opportunity to participate in these activities gives the students not only the feeling of success and being able to control apprehension and fear but also gives them the opportunity to learn responsibility and develop team skills.

New Opportunities in PE

This year with help from the Nidderdale Angling Club a lucky group of year 9 and 10 students were given the opportunity to attend a beginners fishing course during PE lessons. It is important that all students can find some enjoyment in PE lessons, as the goal of school sport is not only improving physical performance but maybe even more importantly developing lifelong participation in physical activity. The students

all had a great time, learnt new skills and most importantly had some success.

Hopefully they will go on to improve their new skills and maybe take this up as a hobby outside of school.

The Simon Goldsbrough Foundation

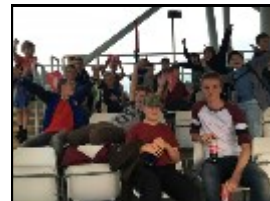

The Simon Goldsbrough Foundation has kindly funded a new trophy to be awarded termly to the student demonstrating an outstanding commitment to school sport. This significant donation has been made in memory of Rick Shearstone, a talented all round sportsman and a former student at the school who died prematurely at the age of 56. The funding will also be used to purchase Tchoukball equipment.

Area of Learning - PE

T20 Cricket Match

This term has seen Nidderdale High School pupils given the opportunity to experience a professional T20 cricket match live at the Emirates Riverside Stadium in Durham. 20 pupils from year 7-10 went to Chester le Street to watch the Durham Jets take on the Yorkshire Vikings in what was an incredibly close match. Pupils really enjoyed and contributed to the atmosphere with a loud 'Yorkshire' chant throughout the game which pushed the Vikings to a 10 run victory. A great experience for the pupils who did the school proud!

Sports Leaders

The sports leaders team have excelled themselves this year, there has been a solid commitment to supporting the primary school events and outstanding feedback from primary head teachers and parents on the quality of leadership. As a team they have had to develop their organisation and communication skills as well as their ability to be adaptable and resilient. The competitions and clubs could not go ahead without our leaders and I am grateful for their hard work and effort to support Team Nidderdale. New leaders kit will be arriving in September, I look forward to continuing to develop the strength of the sports leaders team. Mrs Kay.

Notice—PE always welcome donations of PE tops, black shorts or trouser and trainers.

School Sports Day

This year's Nidderdale High School Sports Day was a huge success. This was not only due to the sun shining but more significantly down to the enthusiasm and competitive spirit showed by the students of Nidderdale High School. The events were all attended with maximum participation and often even reserves in place with an eagerness to get a chance to shine. The results can be seen on the school notice board in the corridor next to the sports hall which can be viewed over the school holidays. Not only was the attitude right but the performances were brilliant resulting with several long time records being broken. Matthew Edwards (Year 7) set a new record for 100m at Nidderdale High School of 14.92 secs as did Louie Loseby whose time was 14.73 secs. Students are able to see records of performance on the board in the PE corridor.

Key Stage 3 News

Anti-Bullying Ambassadors

We have been incredibly proud of the work of our first ever Anti-Bullying Ambassadors, who have all worked exceptionally hard this year to support our whole school. They have implemented new ways for students to report their worries, presented two assemblies, helped to co-ordinate the signing of an "Anti-Bullying Pledge" and assisted with the completion of two Anti-Bullying Alliance Student Wellbeing Surveys. The results of all of their hard work will be evaluated by the Anti-Bullying Alliance over the summer and we are confident that they will be presented with an award in September.

To reward the group for their efforts, they were treated to a trip to Leeds Grand Theatre to enjoy *Wicked*, the Musical. The musical explores themes around friendship, prejudice and tolerance and was yet another opportunity for our Ambassadors to build on what we have already learned together through our meetings this academic year. We would like to expand the Anti-Bullying Group next year. If your child is interested in becoming a part of our group please see Mrs Wright.

Race for Life

On Sunday 15th July fifteen female students, supported by Mrs

Wright, Dr Johnson, Madame Gibson and Miss Reinsch ran the Harrogate Race for Life 5k to raise money for Cancer Research UK. The girls have trained every Monday, in often punishing heat, to achieve this fantastic accomplishment; we are incredibly proud of each and every one of them. So far to date they have raised over £2000. If you would like to sponsor the girls please copy and paste the link into your browser <https://fundraise.cancerresearchuk.org/team/team-nidderdale-1>

Because of the popularity of this group, the Race for Life Club will continue in September as Cross Country Running Club and will be open to boys and girls. More information to follow.

Inter-form Competition

The final Pizza Party of the year is being held on Friday 20th for the KS3 form group who achieved the most positive points, least negative points and highest attendance since Easter. They will also be joined by 12 Golden ticket winners—the 4 students from each year group with the best personal total.

All forms have battled hard for the prize and have collected a grand total of 75,000 positives between them throughout the year!! The competition will be reset from September and we look forward to welcoming new teams in the shape of our new Year 7 cohort.

Good luck Key Stage 3!

We are pleased to announce that the Key Stage 3 Inter-Form competition is now sponsored by two local businesses; The Oldest Sweetshop in England and Lottie and Ollie's Fruit and Veg.

Students

Music Achievement—Congratulations to:

Molly Howard who has passed grade 8 saxophone with Distinction and to Freddie Howard who has passed grade 4 Tuba with Distinction.

Prom 2018

This year's Prom was held at The Deanery in Ripon on Wednesday 11th July. Forty students were in attendance and they all looked amazing in their smart suits and stylish on-trend evening wear.

Despite the England v Croatia World Cup Semi Final football match being played on the same night, they all seemed to enjoy themselves including the teachers.

KS3 & KS4 Activities

Flamingo Land—Rewards Trip

On 22nd June students and staff enjoyed a Team

Nidderdale reward trip to Flamingo

Land, 178 students were able to beat the summer holiday and end of term queues to take on the thrills of Velocity, Cliff Hanger, Kumali and Navigator or to chill out with the meerkats, alpacas and red pandas in the

zoo area. Next year we are on the lookout for more opportunities to reward our young people. We know that theme parks are not everyone's thing so any suggestions for alternatives would be welcome.

Shakespeare's Rose Theatre—York

This summer Shakespeare's Rose Theatre has been reconstructed as a pop-up experience within an Elizabethan town setting in the city of York. Audiences are being wowed with performances of Macbeth, A Midsummer Night's Dream and Richard III. With most tickets now selling for at least £40, we were delighted to access the first release of tickets and secure the best seats in the house for just £10 each. Year 8 and 9 students were able to watch Macbeth and almost all of Year 7 made the journey to York to watch A Midsummer Night's Dream. For a great many students it was their first experience of watching a live performance of a Shakespeare play. To see it in such authentic surroundings is a once in a lifetime experience for many young people and one we hope they will remember for a long time. Thank you to Ms Lester for getting in early with our booking and to Miss Draper for organising two major school trips so close to the end of term.

Nice Days

National Science and Media Museum Bradford

During the Recent NICE Day, year 8 students had a wonderful day out at the National Science and Media Museum in Bradford. In groups of 10, the students were able to work their way around the various galleries including:

- The Kodak Gallery — Taking a journey through the history of photography.
- Animation Gallery — Discovering original models and artwork of over 100 of their favourite animation characters.
- Games Lounge — The students were able to play on the retro games classics such as Space Invaders, Pac Man and Super Mario Kart.
- Life on Line — How our lives have changed when the internet was born and the many different computers throughout time.
- Wonderlab — the amazing and very interactive wonderlab exploring light and sound.

- IMAX - Students were able to watch the fantastic Walking with Dinosaurs in 3D on the largest IMAX screen in the region. This was amazing viewing for students and staff alike.

A thoroughly enjoyable day and the students were a credit.

The NICE Day programme continues to motivate, inspire and offer new challenges to students at Nidderdale High School. This year's events and workshops have included: Year 7 trip to Skipton Castle; the always inspiring Gulwali Passerley; life as a British Muslim; careers in the army; mindfulness and stress awareness; Eco-Schools and team challenges to name but a few. The pictures below are just a taste of what the students have enjoyed.

Nidderlicious

Catering News – Summer Term 2018

Nidderlicious catering has continued to play a major role in students' enjoyment of school. Aside from the everyday catering menu including at least three choices daily, we have also catered for various themed days this term.

St Patrick's Day in March
Beef in Guinness Pie and
Chocolate Pudding

St George's Day in April -
Roast Nidderdale Beef dinner
and English trifle for dessert

Vegetarian Week in May – a
new selection of veggie meals

Mexican Day in June & American Day -
4th July (when else?)

As well as our hot meal deal, we also supply a cold Meal Deal for the same price (£2.50). This consists of a bap/wrap, piece of fruit/traybake and a drink. Cold meal deals allow students to have lunch outside with their friends in the fresh air.

Should you wish to discuss catering provision or suggest healthy meals for our menu, please contact us at school.

What's new for next term?

Normal day to day catering (the menu is displayed on the school website) and in addition the following themed days:

Italian Day - 9th October

Bonfire Lunch - 5th November

Christmas Lunch – 18th December

Finally, can I ask you to please ensure your child's cashless catering account is topped up regularly as the service slows down for all students when students arrive at the till point with too few or no funds.

**Mrs Naylor, Catering Manager,
Mrs Clark, Mrs Tinsley, Mrs Hinds
Catering Team**

Community News

The North Yorkshire Youth Commission on Police and Crime are currently recruiting young people to join an exciting initiative in partnership with the Police and Crime Commissioner, Julia Mulligan.

The Youth Commission is aimed at young people aged 14-25 years who want to make a difference to their community. We're looking for a diverse group of young people from different backgrounds and life experiences to take part, including those who have direct experience of the criminal justice system.

Following the successful work of North Yorkshire Youth Commission, this will now be developed and expanded over the coming years in order to allow young people across the communities of North Yorkshire to inform decisions about policing and crime prevention in the region.

The North Yorkshire Youth Commission allows young people to support, challenge and inform the work of the Police & Crime Commissioner and North Yorkshire Police (NYP). The Youth Commission will explore urgent issues affecting young people in North Yorkshire, such as reducing offending and re-offending, improving the relationship with the police, and anti-social behaviour.

This is brilliant opportunity for young people to gain new knowledge, skills and experiences. Members of the Youth Commission will play an important role in helping to run consultation events and gather the opinions of other young people about police and crime.

Please visit <https://www.northyorkshire-pcc.gov.uk/YouthCommission> to download an application form.

Please send completed applications to: kaytea@leaders-unlocked.org by Wednesday 25th July 2018.

Online Safety

Digital Parenting

A new magazine called Digital Parenting by The Vodafone Foundation has been launched. It helps adults to get more involved with the technology that young people enjoy so much today. Vodafone's message is whether you are a parent, carer, teacher or teenager, it's all about building children's confidence and resilience so that they get the very best out of the fast-moving, awe-inspiring, sometimes-overwhelming digital world. This is an really excellent magazine and we are pleased to be providing every family with a copy this term.

For more information and to access the magazine online go to:

<https://www.vodafone.com/content/digital-parenting.html/>

Attendance

A student has an attendance rate which is always 90%
They think this is pretty good!

Monday		Tuesday		Wednesday		Thursday		Friday	
✓	✓	✓	✓	✓	✓	x	✓	✓	✓

Absent half a day every week

90% attendance means the student is:

- missing half a day every week
- missing over four weeks of school in a year
- missing half a year of school over a five year period

Attendance Awareness Campaign

September 2018

**During September we will be
celebrating
excellent
attendance and
encouraging everyone to
achieve our school
attendance target of
95.5%**

**Over 50% (176) of
Nidderdale students have
exceeded the school
attendance target this
academic year and of
these 6% (21) have
achieved 100%
attendance for the entire
academic year. Fantastic
effort well done!**

Students with
attendance above
the school
attendance target
will be recognised
and celebrated in
school.

Students who miss
fewer than 2 days of
school in September
continue to average
fewer than 2 days
absent each month.

Students not
attending every day
will be encouraged
and supported to
improve their
attendance quickly.

Uniform & Equipment

Uniform Expectations

A reminder that students wishing to wear a skirt MUST wear the official school skirt with the 'N' logo. The skirt can be purchased from stockists: Rawcliffes or Smart Start. Please see recent letter detailing the changes made to uniform and removal of pencil skirts.

For boys and girls, trousers must be tailored. Slim fit, skinny, jeggings and leggings are not permitted.

All students must wear proper school shoes—canvas shoes, trainers or boots are not acceptable.

Blazers and ties should be worn correctly to and from school and around the building at all times. Students will be permitted to remove their blazers in the classroom if they seek the teacher's permission.

The only jewellery permitted is one pair of small, plain studs or sleepers, worn one in each earlobe. Students are not allowed to wear nose studs or any other form of facial or body piercing.

If students do not arrive to school in correct uniform they will be sanctioned accordingly. Students will be supported to ensure they are wearing their uniform correctly at the start of each day. After this they will receive a sanction if uniform is incorrect.

We thank you in anticipation of your support in this matter.

Equipment Expectations

Please help your child to get organised and avoid classchart negatives for lack of equipment.

The required equipment for each school day is:

Pen x 2
Pencil
Ruler
Rubber
Calculator

Compass
Protractor
Coloured Pencils
Glue Stick
Purple Pen

Black fine liner (Technology)
Highlighter pen(s) (optional)

Homework Club runs a stationery shop each lunchtime where these items may be purchased at very reasonable prices.

Students also require an apron for Technology/Art lessons, ingredients as specified for Food lessons and PE Kit on PE Lesson days.

Useful Information

Pastoral Team

Ms Anneliese Walker	— Senior Pastoral Officer
Mrs Jan Ashton	— Key Stage 4 Learning Manager
Mrs Nicola Wright	— Key Stage 3 Learning Manager
Mrs Sarah Ada	— Senior Learning Mentor
Mr Brian MacNair	— Senior Learning Mentor and Attendance Officer

The Learning Mentors will work with students in class and through intervention work. Learning Managers are the first point of contact for parents.

What To Do If.....

We understand that many situations can occur for students throughout the school day and it is important that they know who they can turn to and what the correct procedure is.

Students and parents can refer to page 10 of the school planner for more advice on what to do during the school day if things are not going to plan.

If your child is concerned, or as a parent you have a concern which you need to contact the school about, please see the chart below to ensure your enquiry is directed to the relevant person and dealt with as swiftly as possible:

Concern	Who Should I Contact?	Who to contact
Subject specific including homework	Subject teacher or Director of Learning	admin@nidderdale.n-yorks.sch.uk
Pastoral issues	Form teacher or Key Stage Learning Managers	admin@nidderdale.n-yorks.sch.uk
Careers, post 16 or work placement	Mrs Eglin	admin@nidderdale.n-yorks.sch.uk
Attendance	Mr McNair	Ring 01423 711246
Behaviour	Key Stage Learning Managers or Learning Mentors	Ring 01423 711246
Transport	School Bursar – Mrs Staniforth	Ring 01423 711246
Lost property	School Office	Ring 01423 711246
Urgent messages for students	School Office	Ring 01423 711246
School Trips	Admin Support – Mrs Harrison	Ring 01423 711246
Cashless Catering	School Office	Ring 01423 711246
