There were no bids for consideration.

Next events and dates.

It was decided in the meeting that the Christmas Raffle would go ahead to be drawn at the Winter Warmer event on Thursday 19<sup>th</sup> December in school.

The Cyclocross Café on 10<sup>th</sup> November would be organised requesting baking and shifts to serve in the café.

The PTFA would organise refreshments for the Winter Warmer on 19<sup>th</sup> Dec 19

It was suggested a whole school sponsored walk should be organised and senior students should be involved.

The main focus of fund raising would be an outdoor shelter for students at lunchtime.

The Craft club requested some money to make things for next years Nidderdale Show. A contribution of £150.00 was agreed. It was also agreed to pay £75.00 for a bench.

It was noted that it might be a good idea to have an evening event at The Pancake House for parents of new students to meet and get to know each other. The committee should contact the Pancake House to see if they would be willing to host an event for the community.

The meeting closed at 5.45pm
