

Invigilators – Internal and External Exams

We are always looking for new people to join our team of invigilators.

As an invigilator you will assist in the supervision of examinations and ensure that the guidelines and regulations for the integrity and security of the examination papers and procedures are followed during an examination. Successful applicants will be required to provide a Disclosure and Barring Services check at an Enhanced Level.

If you have a flexible approach to working hours, the ability to communicate with students and to work under pressure, on your own or as part of a team, then please contact
