

MATHS ACTIVITY

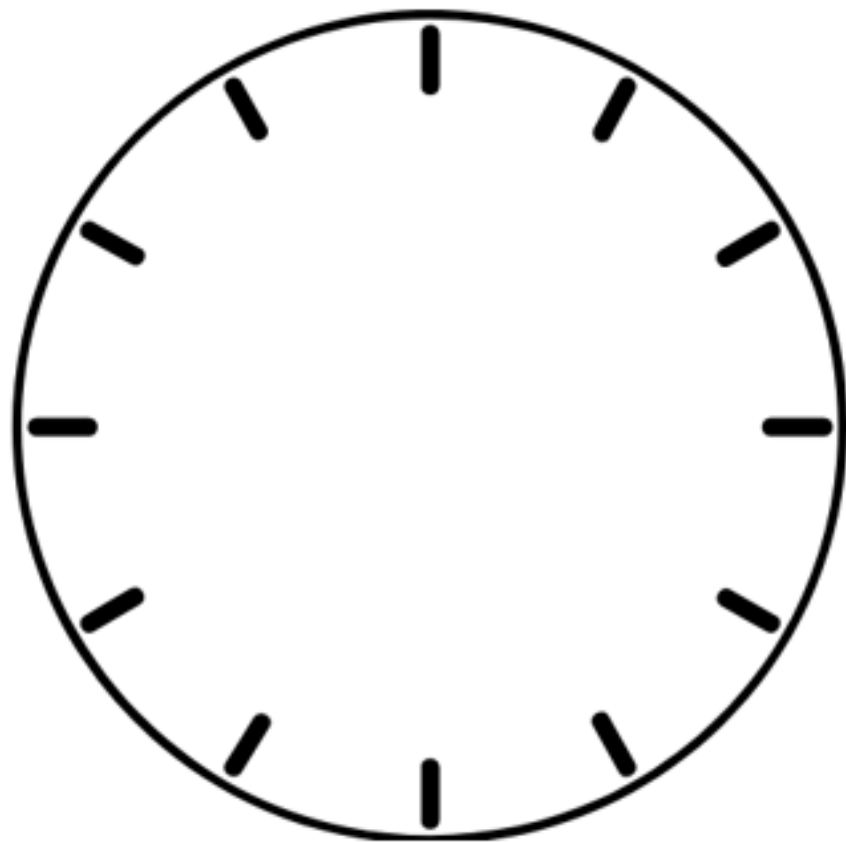

INSTRUCTIONS

- **Design your own Maths clock by thinking of calculations that give answers between 1 and 12 and then add them to your clock.**
- **Try and make each calculations different and challenging.**
- **Send in a picture of your clock by email to : openevening@nidderdale.n-yorks.sch.uk**

Maths clock

- Make your own maths clock by thinking of calculations that give answers from 1 to 12
- Think of as many different types of calculation as you can
- Try to make the calculations challenging
